

CONNECTED EQUALITIES WORKSHOPS INFORMATION SHEET Session 4

Name of facilitator
Marisela Montenegro
CV/Presentation
<p>Marisela Montenegro holds a degree in Psychology from the Central University of Venezuela and a PhD in Social Psychology from the Universidad Autónoma de Barcelona. She is a lecturer in the Department of Social Psychology, and coordinator —with Joan Pujol— of the master’s degree in Psychosocial Research and Intervention. She is also a member of the research group “Fractalitats en Investigació Crítica” in the UAB. She is interested in the critical analysis of social intervention processes from feminist and post-colonial perspectives, as well as the study of collective action initiatives regarding sexual and gender dissidents, community processes and the struggles of migrants and asylum seekers.</p>
Title of the workshop
The intersectional Perspective for Social Intervention
Objectives of the workshop
<ul style="list-style-type: none"> -To introduce the contributions and critiques of the notion of intersectionality to the public policies of diversity management. -To reflect on the impact of intersectionality on social intervention. -To generate proposals for the incorporation of the intersectional perspective into public policies and intervention practices in local projects.
Programme
<ul style="list-style-type: none"> - Black feminisms and the emergence of the concept of interseccionality. - Key elements of the concept of intersectionality.

- Group dynamics: axes of differentiation and multiple identities
- Closure: implications of intersectionality for coexistence

Methodology

- Exhibition concept of intersectionality. Origins and key elements: power, complexity and situationality.
- Exercise in group: axes of differentiation and multiple identities.
- Closed together and closed.
